

DIMPLE BHARDWAJ

ReactJS Developer

Una, Himachal Pradesh | +91-8580771417 | dimplebhardwaj85807@gmail.com

PROFESSIONAL SUMMARY

Creative and detail-oriented **ReactJS Developer** with **1.6+ years of experience** at LBM Solutions, specializing in building responsive, user-centric web applications. Expert in the **React.js** and **Next.js** ecosystem, with a strong command over state management (Redux, RTK Query) and performance optimization. Skilled in writing clean, reusable code and delivering seamless cross-browser experiences.

TECHNICAL SKILLS

Frontend: HTML5, CSS3, JavaScript (ES6+), **State Management:** Redux, RTK Query, Axios
React.js, Next.js, Bootstrap, Tailwind
Backend (Basics): Node.js, Express.js, **Tools:** Git, GitHub, MS Office Suite
MongoDB

PROFESSIONAL EXPERIENCE

LBM Solutions | ReactJS Developer

- Developed and maintained high-performance user interfaces using **React.js** and **Next.js**, focusing on reusable components and component-driven architecture.
- Integrated complex **REST APIs** and collaborated on backend workflows using Node.js and MongoDB to ensure efficient data handling and real-time UI updates.

PROJECTS

- GreenFin:** Worked on KYC functionality, Binary Tree system, and Support Ticket Management system. Handled frontend development, API integration, and dynamic UI implementation using React.js.
- Venture Gold:** Worked on wallet management and cryptocurrency-related modules. Integrated APIs and developed dynamic frontend functionalities for secure transactions and user interactions.
- StyleHub:** Developed frontend features for an e-commerce clothing website including product listings, responsive UI, and dynamic pages.
- Admin Dashboard:** Built responsive dashboards with charts, analytics, and user management features using React.js and Redux.
- Authentication & User Management System:** Implemented login, registration, role-based access, and profile management with API integration and form validations.
